This event will include a display, presentation, and remembrance of the War Dead who have connections to the Hamilton Road area and who died while on service during World War II (1939-1945). If you have a family member or friend you would like to honour by telling their story or showing their pictures, please join us. The event is intended to highlight the stories of those who gave their lives – not World War II Veterans' stories.

7-9 pm
